- 1** Place cabinet (D) in the designated location and mark bracket position on the wall.

- 2** Attach the wall brackets (E) to the wall with the screws (F).

IMPORTANT: Consult an expert for the proper screws/bolts to use when attaching to various constructions. Screws provided do not attach to all wall construction types. Anchors are not required if brackets are installed in stud.

- 3** Apply a bit of silicone and hang the cabinet (D) on the brackets.

- 4** Attach the handles to the cabinet.

- 5** Assembly is complete

- 6**
